The Integrated System (IS) will be shutting down this week on March 4, 2010 in order to implement changes required for gross billing in Short-Doyle/Medi-Cal Phase II. Revenue Management Division (RMD) is issuing this Bulletin to remind you to be prepared to collect all the information you need to enter and save services when the IS becomes available on March 9<sup>th</sup>. Make sure you are using the revised Daily Service Log so that you will have all the information you need to report for every service you enter beginning Tuesday, March 9<sup>th</sup>. The revised Daily Service Log is available on the IS website under Clinical Forms

(http://dmh.lacounty.gov/hipaa/documents/DailyLogDO11-17-09\_Repost1.26.10.pdf).

Also, don't forget to keep track of payment information (payment amount and payment date) from the Explanation of Benefits (EOB) when you receive an approval or denial from private insurance.
